

Check list of Supplies when designing cards

Patterned Paper

look for a paper pack you want to use, best if it is a paper pack as they have coordinated designs

Ribbon

This could be in a coordinated color from the patterned paper or a neutral color that you can color with alcohol markers

Cardstock

Pick colors from the patterned paper as well as basic white or Very Vanilla

Gems

this could be rhinestones, pearls,, epoxy dots, etc

Sentiments

Get a stamp set that has the sentiment you want to use. eg. birthday, thank you, etc

Color

Depending on the card idea, this could be watercolor pencils , alcohol markers, ink pads, etc

Stamp set bundle

this could be stamp set + die cut or stamp set + punch. you want to have a set that can be used as a focal point

Basic tools

Scissors, Bone Folder, Take your pick tool, Shammy or other cleaner, Paper Trimmer, Die cutting machine

Label dies

This could be circles, squares, ovals, as you can use them for sketches in an easy way

Adhesive

Any adhesive of your preference. suggestions : Tape runner, dimensionals, and glue dots
